MALDON EXPERIENCE

SATURDAY 9TH SEPTEMBER 2017

Join Steamrail as we head for the historic goldfields town of Maldon. This steam train will take you back to the time when it was possible to "change trains" at Castlemaine for a branch line trip to Maldon.

The train will depart from Southern Cross and stop at selected suburban stations to pick up passengers. Our two steam locomotives R711 and R761 will work hard as we experience the glory of the "Main Line" with its many viaducts, hills, tunnels and hand built bluestone bridges. Once at Castlemaine you may like to explore the heritage signal cabin on the station, before departing for Maldon.

This branch line is now the Victorian Goldfields Railway (VGR). Over many years, the scenic route was lovingly rebuilt, once again linking the historic gold towns of Castlemaine and Maldon, through the beautiful Box Ironbark forest in a region that once saw some of the richest gold mining in Australia. In Maldon you can admire the quaint shop fronts and cottage gardens, pause to enjoy a Devonshire tea or hot soup, or browse in the antique shops. The smell of wood smoke in the air evokes the comforting cheer of the open fire.

THE MALDON EXPERIENCE

For those who choose this option you must change trains at Castlemaine to travel on to Maldon. Plenty of cafes, hotels and bakeries are available in the main street to purchase some lunch.

BENDIGO OPTIONS

At Castlemaine, stay on board the train as it travels to Bendigo for servicing. You will arrive in Bendigo at 11.20am and depart for Melbourne at 3.40pm. There is lots to see and do in Bendigo.

BENDIGO MINE EXPERIENCE TOUR

You will be picked up by coach at the Bendigo station and taken to the Central Deborah Gold Mine where you will be taken on a mine experience tour. Afterwards you will have a Crib Lunch at the mine, then board the 2pm Talking Tram for a full round trip bringing you back to the mine. You will then board the coach back to Bendigo station to meet the train.
